20 September 2017

Dear Joburg Residents, Businesses and Churches

The 21st edition of the Telkom 947 Cycle Challenge will take place on Sunday, 19 November 2017. This iconic event takes over streets of greater Johannesburg and is one of the world's largest mass participation cycling events with approximately 28 000 cyclists taking part.

As a result, certain roads throughout the city will be closed off by the Johannesburg Metropolitan Police Department, Johannesburg Road Agency and the City of Joburg.

Please see the Road Closure flyer accompanying this letter for the route map and road closure times and information.

The Cycle Challenge is based at Riversands Commercial Park, which is just off the R511 in Fourways and as such certain roads in the Fourways area will also be affected.

Please visit www.cyclechallenge.co.za to view the route map and utilise the map which will assist residents and motorists to navigate the city avoiding the Road Closures on Cycle Challenge Sunday.

The map includes spectator and support location points along the route and we encourage you to go to one of these points, to enjoy the fantastic spirit of the event.

We understand that the Cycle Challenge impacts directly on businesses and residents on the route and thank you in advance for your support.

We have enjoyed great support from businesses along the route in the past and if you would like to know how your business can get involved please contact the Cycle Challenge Race Office.

We have a fully equipped Call Centre running, and throughout the build-up and on Cycle Challenge Sunday to field any queries and assist in routing you around the Road Closures.

Please make use of this service to improve your experience on the day - **Call Centre 011 017 2700**.

You can download the 947 app which will include the information you need on the day, and follow #CCTraffic on Twitter to get live updates.

All participants in the Telkom 947 Cycle Challenge have been encouraged to Ride for a Purpose and entrants are heeding this call.

There are already over 110 charities entered and committed to raising funds and/or awareness for their causes and this year we hope to raise in excess of R14 million, bettering the R13.4million raised in 2016.

Please look out for any further correspondence regarding the Telkom 947 Cycle Challenge in the build up to Sunday, 19 November - flyers, posters, media reports, traffic advisories and information on 947.

We thank you in advance for your support and understanding.

Kind Regards

Telkom 947 Cycle Challenge Organising Committee
