Bulletin 81: Urgent meeting on the way forward for road closures.

We will be holding a meeting at the big car park on the corner of Woodlands and Riesling Road Hurlingham Manor at 16H00 on Sunday 11th December 2016 to discuss the way forward for road closures in light of the City's action in taking down structures.

We will update on the pending High Court application and on the attempts to engage with the City on road closure issues.
