The April Domestic Watch meetings will be coming up soon and this month's topic will be, Taking Responsibility for Safety.

While safety and security have similar packaging, the meeting will be dealing with many extras on safety that have not been discussed before.

It will be an interactive thought-provoking lesson with many 'out of the box' considerations when it

comes to one's safety, with a quiz to challenge the attendees.

A speaker will be present discussing in more detail the concept of taking responsibility for your safety, and attendees will also have an enablement opportunity.

Dates and times of these meeting are as follows:

- St Michael's Church, Bryanston on 20 April at 11.30am
- Rivonia at the 1st Rivertrail Scout Hall on 21 April at 12 noon
- The River Road, Bryanston at
