Bulletin 94:

More Approvals!

Congratulations to Groenkloof Security Village in Pretoria whose road closure was finally approved last week. Groenkloof faced significant objections to their road closure: at a hearing a few weeks ago the objections were heard before the City's Tribunal and last week the objections were dismissed.

This follows closely on the High Court decision in favour of Brooklyn Security Village in Pretoria where the City's decision to refuse the road closure application was set aside. Their structures are now up and the crime is non-existent!

Closer to home we have another round of hearings at the end of the month. Applications are being approved and we are arguing for automation and bespoke solutions for individual road closures.

Best regards
