### Dear Joburg Resident

The Telkom 947 Cycle Challenge is in its 21st year and is set to attract 28 000 cyclists to the streets of Joburg on Sunday 19 November 2017.

To ensure the safety of both the cyclists as well as the residents, the City of Joburg, the Johannesburg Metropolitan Police Department, the Johannesburg Roads Agency and the Gauteng Department of Roads and Transport will, again, implement **TOTAL ROAD CLOSURE** along the route.

We understand the impact of the road closures and thank you for sharing your streets for the day – your co-operation helps to make a difference to many people through the Ride for a Purpose campaign, in addition to the safety of cyclists and their loved ones. All participants in the Telkom 947 Cycle Challenge have been encouraged to “Ride For A Purpose” and entrants are heeding this call. There are already over 110 registered charities entered and committed to raising funds and/or awareness for their causes.

The event will once again start and finish at Riversands Commercial Park on the R511. Please familiarise yourself with the route map on the reverse side of this flyer and then utilise the map at [www.cyclechallenge.co.za](http://www.cyclechallenge.co.za) to assist residents and motorists to navigate the city avoiding the road closures.

**The dedicated Call Centre - 011 017 2700** - is operational every weekday from 08h00 to 17h00 and from 04h00 to 16h00 on Cycle Challenge Sunday. We are here to assist with all route and road closure queries. Watch out for the bright yellow traffic advisories that will be erected prior to the event on all directly affected roads. We urge you to join supporters at one of the many vibey Powerzones along the route to be a part of this annual experience. Please visit [www.cyclechallenge.co.za](http://www.cyclechallenge.co.za) in the week of the event to get more details on the best spots to cheer from. Please share this information with your neighbours and friends and help us create community awareness.

**Did you know?**

*Cycle Challenge over the last 5 years has helped raise over R66 million through the Ride for a Purpose campaign.*

**Did you know?**

*Cycle Challenge is the biggest event on the Joburg cycling calendar.*

**Did you know?**

*Cycle Challenge has been around since 1997, that makes us 21 years old!*
